I would think not. At the last SFIREG meeting (in person), it was made clear that SFIREG would make ‘virtual/call-in’ exceptions for presenters, but not attendees. I’m not sure if that’s changed or yet evolving. I’ll reach out to Emily Ryan in OCSPP/MSD/ICRB to see what’s being coordinated, if anything. I intended this as an FYI (to know what the state topics of interest are...)

Thanks Carolyn – I'm guessing if it's in person we are not expected to be part of the paraquat session?
